PROFILE

Detail oriented and adaptable software engineering student with a strong background in communication and team coordination.

Eager to apply and expand my skills in front end development through real world projects. Passionate about creating responsive, user friendly websites and continuously learning new technologies to stay current in the fast-paced web industry.

WORK EXPERIENCE

Hoopdesk Int.

2024 - 2025

Graphic Designer

Been part of a team of designers , delivered consistent brand visuals.

Conducted team meetings, assigned tasks, reviewed designs, and provided constructive feedback.

Coordinated with clients to understand design briefs and translated them into compelling visuals.

IEEE Islamabad FC Section

2024 - 2025

Event Managaer , Graphic Designer

Managed event timelines, prepared schedules, and delegated responsibilities to volunteers.

Worked with content teams to align visuals with promotional strategies.

Developed branding kits for technical conferences like INMIC and TechTalk Series.

Maintained a cohesive visual identity for IEEE events on all platforms.

Alphaxoft Tech (Intern)

2025

Front End dev , UX/UI

Participated in brainstorming sessions to improve user journeys and navigation flows.

Collaborated using tools like Trello and Slack for task management and communication.

Designed modern, mobile-friendly interfaces using Figma
